

# Singapore Neonatal Resuscitation Course (SNRC)

8.00 am to 1.00 pm or 8.00 am to 5.00pm | Academia  
(eLearning to be completed online prior to course day)

20 College Road, Singapore 169856 (Located in SGH Campus)

## INTRODUCTION

The Singapore Neonatal Resuscitation Course is a workshop that integrates the principles and skills of neonatal resuscitation.

## LEARNING OBJECTIVES

- Be equipped with knowledge and skills in neonatal resuscitation through hands-on practical training and scenario simulation of resuscitation
- Integrate cognitive, technical and behavioural skills in simulated scenarios using high-fidelity manikins, with debriefing for reflective learning
- Review of knowledge and practical skills through MCQ quiz and individualised review of basic resuscitation skills

## Eligibility

Valid Basic Cardiac Life Support + Automated External Debrillator (BCLS + AED) certificate from a Singapore Resuscitation and First Aid Council (SRFAC) accredited training centre

	Basic	Full Provider
<b>Course Content</b>	<b>Basic skills</b> of providing initial steps, positive pressure ventilation and chest compressions for term infants	<b>Basic and advanced skills</b> including endotracheal intubation, use of medications and preterm resuscitation
<b>Target Audience</b>	Nursing and Allied Health staff involved in the care of newborns <i>(E.g. Mother ward / Enrolled nurses / Student nurses)</i>	Medical, Nursing and Allied Health staff who attend births and are responsible for resuscitation of newborns <i>(E.g. Doctors, NICU / Midwives / Labour ward / A&amp;E / OT nurses, Transport team, Respiratory Therapists)</i>
<b>Course Fees</b> • Restructured Hospitals • Others	SGD 300 (inclusive 9% GST) SGD 420 (inclusive 9% GST)	SGD 400 (inclusive 9% GST) SGD 550 (inclusive 9% GST)
<b>2024 Dates</b>	<ul style="list-style-type: none"> <li>• 11 January 2024 (8am – 1pm)</li> <li>• 11 April 2024 (8am – 1pm)</li> <li>• 11 July 2024 (8am – 1pm)</li> <li>• 10 October 2024 (8am – 1pm)</li> </ul>	<ul style="list-style-type: none"> <li>• 11 or 12 January 2024 (8am – 5pm)</li> <li>• 11 or 12 April 2024 (8am – 5pm)</li> <li>• 11 or 12 July 2024 (8am – 5pm)</li> <li>• 10 or 11 October 2024 (8am – 5pm)</li> </ul>

## TO REGISTER:

Complete the registration form and email it to: [sims@singhealth.com.sg](mailto:sims@singhealth.com.sg)

### PDPA Notice:

- 1) By providing the information for registration, you confirm that you have read, understood and consent to the SingHealth Data Protection Policy, a copy of which is available at <https://www.singhealth.com.sg/pdpa>.
- 2) Please note that photographs and videography may be taken during this event for publicity and training purposes.
- 3) Please note that attendance at the SNRC does not certify competency in neonatal resuscitation. Participants should practice within the scope of their profession and job description

Accredited by Singapore Resuscitation and First Aid Council (SRFAC)

# SNRC REGISTRATION FORM

Please fill in with all the information required and  at the appropriate boxes.

## SECTION A: COURSE DETAILS

Course Date	:	_____
Course Type	:	<input type="checkbox"/> Basic (8am – 1pm) <input type="checkbox"/> Full Provider (8am – 5pm)
Pre-Requisite	:	<input checked="" type="checkbox"/> Valid BCLS + AED Certificate accredited by SRFAC (Please attach a copy)

## SECTION B: REGISTRATION DETAILS

Participant Name	:	_____	Professional Reg. No.	:	_____
Institution (As of course date)	:	_____	Department (As of course date)	:	_____
Job Designation	:	_____	Contact No.	:	_____
Official Email Address (Issued by Institution)	:	_____	ADID (SingHealth eLearning Portal)	:	_____
Meals (Food provided is Halal Certified)	:	<input type="checkbox"/> Kindly tick for Vegetarian option			

### For Non-SingHealth Staff and Residents only:

- By ticking this box and providing the information set out here, I hereby:
- consent to disclose my personal data for the delivery of the courses/programmes I have registered with SingHealth Duke-NUS Institute of Medical Simulation (SIMS), as well as for the dissemination of marketing materials on upcoming events.
  - confirm that I have read and understood the SingHealth Data Protection Policy, which is made available at <http://www.singhealth.com.sg/pdpa> (hard copies are also available upon request).
  - understand that I can email [sims@singhealth.com.sg](mailto:sims@singhealth.com.sg) to withdraw my consent on the disclosure / usage of my personal data and that the request would be processed in two calendars weeks.
  - confirm that my consent and/or withdrawal herein does not supersede or replace any other consents which I may have provided to SingHealth and its related corporations and authorised service providers, and are additional to any rights which SingHealth may have at law, to collect, use or disclose.

## SECTION C: PAYMENT METHOD (Please select 1 option)

<input type="checkbox"/> (1) By Invoice (Others)		<input type="checkbox"/> (2) Internet Banking			
<b>For option (2), please provide <u>all</u> required information below for invoice creation.</b>					
Company Name	:	_____	Department	:	_____
Billing Address	:	_____			
Contact person (Attention to)	:	_____			
Contact No	:	_____	ACRA/ UEN No.	:	_____
Email address	:	_____			
Additional Details (if any)	:	Cost Centre	:	Process Code	:
	:	Internal Order	:	PO No	:

## CANCELLATION POLICY: Cancellations and Postponement – must be advised in writing or via email

Informed SIMS:	Amount refundable:	i.e. Course on 11 January 2024	*Working days refer to Mon – Fri (excluding course day & public holidays)
More than 3 weeks*	Full refund	Informed by 20 December 2023	
Less than 3 weeks*	No refund	Informed after 21 December 2023	

- Replacement of eligible participants is allowed.
- SIMS reserves the right to cancel the course and fully refund the participants should unforeseen circumstances necessitate it.

The SingHealth Duke-NUS Institute of Medical Simulation (SIMS) is Singapore's largest simulation facility with a comprehensive range of simulation modalities, cutting-edge technology and training programmes. SIMS is committed to delivering quality simulation training by providing a safe and supervised environment for healthcare professionals to sharpen their clinical skills. The institute draws upon the synergy of collective expertise, curriculum and resources in SingHealth. With a rich legacy in clinical education, SIMS aims to be the leading global institution in medical simulation, pushing frontiers in patient safety.
