

## PRE-CONGRESS WORKSHOP

# SIMS SIMULATION EDUCATORS TRAINING (SIMS SET)

**21 - 22 Sep 2016 | Academia, Level 2, L2-T2**

The two-day SIMS SET faculty development workshop is designed for simulation trainers and educators interested to design and run high quality simulation-based programmes. Participants will work in small groups with close instructor interaction. They will also have the opportunity to conduct a simulation exercise and a follow-up debrief.

## OBJECTIVE

- Understand the art of communicating feedback and reflective learning
- Understand the techniques to prepare and conduct a simulation exercise
- Acquire the skills of debriefing a simulation exercise

## CONTENT

- Familiarisation of participants with the simulation mannequin and environment
- Roles of the simulation instructor
- Designing and running of scenarios
- Utilising effective debriefing techniques

## TARGET AUDIENCE

Healthcare professionals who are interested to use simulation as a teaching tool

## PROFESSIONAL POINTS

CME & CNE Points will be awarded (Application in Progress)

## COURSE FEE

\$963.00 (inclusive of 7% GST)

SingHealth Residency Faculty will be internally funded

 **REGISTER BY 15 AUG 2016**
